Homecoming

After playing Hammond Tech at the Homecoming game, the team hustled to the gym so that the Homecoming dance could officially begin. Finally, the magic moment arrived when the court and queen were announced by Dick Edinger, Senior Class President. Approaching the throne to the tune of "Moonglow," Carol Glover met her two escorts in front of the throne. Next came lovely Jackie Broadhurst. Dick Edinger then announced Mary Ruprecht, who was followed by pretty Sally Carmichael. Jane Van Senus proceeded smilingly down the floor. Finally Judy Rader floated toward the throne. To the delight of all, Marilyn Sievers, clad in a green and white formal, carried her bouquet of red roses to her throne where she was crowned V.H.S. Homecoming Queen of 1957-58 by football co-captains Dick Small and Ron Spencer. She then led the queen's dance in which the members of the court danced with their two escorts.

Organizations

Our "Mirror of Memories" reflects our high school days and the wonderful times we had participating in our many organizations. Each different activity created a special interest for us and encouraged us to contribute to it to the best of our ability.

STUDENT COUNCIL

This year was the first time since 1954-1955 that a girl has been president of Student Council. Marilyn Sievers was elected by the whole student body to lead this group of student representatives.

The Council supervised the Homecoming Election and school convocations.

They made progress in traffic problems around the school and rules for class elections. In April the Council sponsored a dance, "April Love." We extend a hearty thanks to this year's Student Council for their hard work and good school spirit.

Speaker at annual Hi-Y Father-Son Banquet.

The Hi-Y which is the Boy's Christian organization of the school is a worthwhile and helpful club. Among its activities are the annual Father-son banquet, swims at the local "Y", and attending the different churches in town, in a body. Members must have received an invitation to belong. These people are called pledges and must come up to certain standards of the organization.

Y-TEENS

The Y-Teens were very fortunate this year, because they were able to send two girls to the summer leadership camp. There, President Jane Van Senus and Secretary Nancy Phillips learned many new ideas for improving the club.

Since one of the main purposes of the Y-Teens is to render service, the members sponsored their annual Can-Can Dance to which each girl brought two cans of food, which were given to needy families. Assisting in the school cafeteria was a service of the club, and making favors for hospital patients was still another. Members also went Christmas caroling to homes of shut-ins during the holiday season.

After beginning the year with a get-acquainted party, the members planned an induction ceremony in which the new officers and members became installed. A series of other interesting activities followed throughout the year and were climaxed at the spring Mother-Daughter Banquet.

PEP CLUB

Guiding school spirit is one of the main functions of the Pep Club, which supports all sports activities of V.H.S. The covering of basketballs and footballs, roping off pep sections, and participating in pep sessions were activities which kept Pep Club members busy before games.

Activities which the Club sponsored were the Kick-Off Dance, the Homecoming Dance, and the Basket Ball. A desert party concluded the year's activities, where the newly elected officers were announced and outstanding events of the year reviewed.

A fine showing was made at the Sectionals and Regionals in which each member, donned long-sleeved white shirts and pep hats, participated to spur his team on to victory.

DRAMATICS CLUB

The Dramatics Club, V.H.S.'s own little Hollywood, presented six plays this year. Three were seen by underclassmen, and the other three by upperclassmen. The members of Dramatics learned stage directions, how to apply makeup, how to act and speak properly, and more about scenery and props. On January 3, they went into Chicago and saw the hit play "My Fair Lady." The big event of the year was the Christmas Formal, annually put on by the Dramatics Club. Everyone worked hard and the dance was a great success.

VALPOST

Headlines and deadlines buzzed through the minds of Valpost staff members who worked hard at publishing the bi-weekly school paper. Every other Tuesday became newspaper day with all the students anxiously awaiting their Valposts.

After learning many helpful hints at I.U. Journalism Institute, Mary Ruprecht, Editor, and Janet Graham, Assistant Editor, particularly strived for the improvement of the layout of the paper. They were unique this year in issuing a free copy to each student on the first day of school. This helped to boost subscriptions. Another special feature was an April Fool edition.

Bringing the year to a close, the staff had a combined banquet with the Valenian staff, which helped to unite the journalism department.

Typing, writing copy, and arranging pictures were only a few of the activities which occupied the time of Valenian members throughout the year.

Georgia Nicholas, the 1958 Valenian editor, and Judy Rader, art editor, gained many helpful hints while attending Indiana University Journalism Institute during the summer. These ideas they put into effect with the help of their staff which consisted of eight Seniors, five Juniors, and one Sophomore. Lloyd Kittredge handled the subscription money thus claiming the title of business manager.

With the great help of Mr. Stewart and the well-organized leadership of Georgia Nicholas, the book was a huge success.

Coaches Rhoda and Miller discuss new strategy.

As so often shown in the past, the NIHSC conference again proved to be too tough for the abundant but ailing Valpo gridmen. The 1957 Viking football team started the season with a conviction that they were a sporting match with the other members of the conference, but four foes proved to be too much for the team. Those four bitterly overwhelming opponents were: injuries, illness, inclement weather, and tremendous lack of support from the spectators. Injuries and illness reaped their harvest early in the season, thus claiming some of the key players Coach Miller had relied on. Poor weather conditions posed problems both during games and the all-important practice sessions. But most of all, the old archenemy of all teams, lack of confidence and support, was the biggest hindrance of all. These four foes, together with the outranking conference teams, caused the Valpo eleven to close the season with a 1-8 record.

VARSITY BASKETBALL

The Valpo Vikings finished a very successful season compiling a 20--5 record, the best record since 1952. Some of the highlights of this past season have been: finishing second in the W.N.I.H.S.C., setting a new school record of 87 points against Whiting, surpassing the total individual points in a season by Scott Ward and Dale Gott setting a new V.H.S. scoring record in the W.N.I.H.S.C..

During the season the Vikings beat such teams as Lafayette Jeff, Gary Roosevelt, and Michigan City, but found E.C. Washington the main stumbling block by losing three of their five losses to them.

The Vikings, beating Jackson, Chesterton, and Hebron, won the Sectional and earned the right to go to the Regionals. In the afternoon game of the Regionals, the Vikings beat Gary Froebel 67 to 52 and then in the championship game were eliminated by E.C. Washington, 80 to 69.

The prospects next year look very good with the returning of the four starting Juniors: Knoefel "Butch" Jones, Chuck Kriston, Scott Ward, and Dale Gott. Even so, the Vikings will miss the fine ball playing of their two graduating seniors, Augie Ralston and Burt Endsley.

Track

Under Coach Ken Pifer, the 1957 Viking track team turned in another excellent performance. Although the season's record was not spectacular (two wins and two losses in dual meets and two wins in their two triangular meets), the boys of the Green and White turned in several unexpected, though pleasant surprises.

First of the notable feats was Bruce Davis' low hurdle record of :20.2 which he set as he won the conference championship at East Chicago. Later in the season against Michigan City, Bruce tied the Boucher Field record with a :20.9 race. Second of the notable accomplishments was Dick Small's fine showing in the pole vault. Dick's fine vaults carried him as far as Indianapolis where he tied for sixth in the state meet with an 11 foot, 6 inch jump.

As a team the Vikes placed 9th in the Conference Indoor, 2nd in the Rennselaer Relays, 7th in the Conference, 4th in the Sectional, and 4th in the LaPorte Invitational.

CROSS COUNTRY

The 1957 Cross Country team was probably the best team to ever represent V.H.S.

In dual and triangular non-conference meets, Valpo defeated Knox, Griffith, and Laporte while losing to Hobart and Chesterton.

In the conference, both the Varsity and the Freshmen-Sophomore teams went for eleven straight victories against no defeats to win the conference championships. Each team was awarded a beautiful trophy for their victories.

In the larger meets, the Vikes ran third in the conference meet of 22 teams at Laporte, third in the Hobart Invitational of 26 teams, and won a thirteen team Sectional at Hammond and the right to run in the State meet at Indianapolis, where they finished 13th in a field of 18 teams.

Junior Scott Ward was the number one runner. In defeating Bagby of Chesterton, he won his 22nd meet in 3 years. He was 2nd at Hobart, 2nd in the Conference, and won the Hammond Sectional for the second straight year. He set a new school record of 9:38 at Gleason and a Forest Park record of 10:49.5.

The 1958 team promises to be a "great one."

SWIMMING TEAM

The 1958 swimming team, this year having a record of eleven wins and six losses, has succeeded in equaling the 1957 record. The VIKING aquamen defeated such teams as Portage, LaPorte, Whiting, Horace Mann, Froebel, Lew Wallace, South Bend Washington, while losing only to Hammand, Calumet City, South Bend Central, South Bend Adams, Howe Military Academy, and state champion, South Bend Riley. The VIKINGS placed sixth in the conference held at South Bend, and seventh in the state meet at Lafayette.

Many school records were broken during this year's swim meets. Among those breaking records were Joe Berlin, and Tom Allison. At the state meet Joe Berlin, Tom Allison, Tom Barry, Ed Johnson, placed third in the fifty-yard free style and second in the two hundred yard relay.

Those wearing the VIKING trunks for the last time are Bill Harvey, Tom Allison, three year letter winner, and Joe Berlin, a four year letter winner.

The Viking matmen under the able leadership of coach Miller finished the 1957-1958 wrestling season with six wins out of the ten meets they competed in. The victory sheets show the Valpo men defeating Washington Clay, New Carlisle, Portage and Lowell. Those teams who defeated the Viking men were Crown Point and La Porte. Those team members receiving Varsity letters were Biggs, Harbeck, Sellers, Eldridge, Smurdon, Sherrick, Young, Hyatte, Wallace, and Small. The school will miss the graduating seniors Eldridge, Young, Hyatte, Wallace, and Small; but they will never be forgotten.

Faculty and Classes

Our "Mirror of Memories" reflects the faculty and classes of Valpo High. The students will be forever indebted to the faculty for the invaluable guidance given the students by the teachers in the past years.

Administration

G. Warren Phillips

Mr. G. Warren Phillips, superintendent of the school system, makes recommendations to the board and sees that their policies are implemented. The increasing school enrollment of the corporation has been accurately blueprinted through his office and the building program has kept pace with the needs.

Much credit for this planning is due to the foresight of Mr. Phillips, who holds an AB degree from DePauw University and an MS from Indiana University.

The Board of Education is chosen from the citizens of the community because of their interest in the school system and their demonstrated qualities of leadership in other fields. Its primary concern is the management and supervision of the school system. Too little appreciation is shown to these civic-minded citizens for the time and effort that they spend to gain an understanding of school business.

SEATED: Mann Spitler Jr., Secretary; Jess Claudon, President. STANDING: Preston Platt, Anne L. Neiquist, Joseph Durand, Secretary.

Administration

PRINCIPAL

Mr. King Telle, Principal of Valparaiso High School, upholds the traditions of the school and shows a loyal interest in scholastic, athletic, and social activities. Although his responsibilities are many, he takes a genuine interest in the welfare of each student.

Mr. Telle received his AB degree from Hanover College and his MS from Indiana University.

Mr. James Mundy, Assistant Principal gives help in the solution of administrative problems. He is in close contact with student problems that affect attendance. Formerly the Principal of the Junior High, he is known for his friendliness and understanding.

Mr. Telle and Mr. Mundy, Principal and Assistant.

GUIDANCE OFFICER

Mr. Alfred Henkel is the director of guidance. Problems of schedule preparation, college selection, and vocational selection are often solved with his help. His advice to students and parents has proved to be very valuable.

Administration

As secretary to the principal, Mrs. Price encounters more problems than those involved in correspondence and reports. The constant traffic of minor problems does not furnish ideal working conditions. Despite these handicaps the work is done pleasantly and efficiently.

The secretary to the superintendent, Mrs. Rickard, has gained an understanding of the problems of the school city through a long period of association with them. Her courteous and friendly manner has endeared her to all with whom she comes in contact.

Mrs. Jolley is able to afford the office of superintendent a certain amount of freedom from interruption through her efforts as receptionist. Her cheerful voice is the one heard more often in telephone conversations. Calls and messages are channeled very efficiently to the proper place.

Juniors

JUNIOR CLASS OFFICERS, FRONT ROW: Knoefel Jones, President; Dale Gott, Vice President; Nancy Phillips, Secretary; Kathey Hildreth, Treasurer. SECOND ROW: Mr. Deethardt, Mr. Brammell, Sponsors.

With complete confidence, the Junior Class began working on their Junior Prom early in the school year. They worked, under the capable direction of their chosen officers and sponsors, the complete year to create a very striking effect needed for a great Prom.

The Juniors grew closer in understanding while working together on the Junior Class Play and the never-to-be-forgotten Speech Banquet.

The Class Ring of 1959 proved to be a great change from previous years. Being long overdue, the rings were eagerly accepted and welcomed at the time of their arrival.

The approach of Spring found the Juniors ready and eager for their last year in high school--their Senior Year.

Seniors

FRONT ROW: Dick Edinger, President; Dave Casbon, Vice President; Carol Glover, Secretary; Ron Spencer, Treasurer. BACK ROW: Mr. Williams, Miss McGillicuddy, Mr. Johnson, Mr. Hildreth, Sponsors.

"We're the Class of '58" finally became a reality to the Seniors. Gazing into the "Mirror of Memories" which reflects their four, fleeting, fun-filled years at V.H.S., they realized with a lump in their throats that their high school career had actually come to a close.

Certain activities are prominent in their minds as they look back over these years. Their beautiful Junior Prom, "How Deep Is The Ocean," will never be forgotten in the minds of those who helped to make it a success. Their Junior Class Play, "Our Town," will long be remembered, also. Senior sales were competantly carried on under the direction of the Senior sponsors. Taking turns selling candy and ice cream at basketball games, the Seniors drew money from their profits to help finance the Valenian and to present a gift to the school. The leaders of their class performed their duties successfully, and their Homecoming Queen, Marilyn Sievers, reigned magnificently at the Homecoming festivities.

"The Class of '58" witnessed the highest enrollment in V.H.S. to date, and was lucky to attend classes in a new addition.

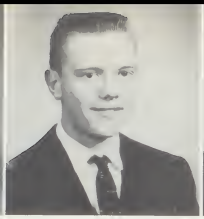

Finally the day came when the Seniors donned their caps and gowns and realized that they could remember their high school years only by gazing into their "Mirror of Memories."
